

Declaration 2005

**Declaration of the Board of Management and the Supervisory Board of
COMPUTERLINKS AG regarding the recommendations of the
„Government Commission on the German Corporate Governance Code“
in accordance with § 161 of the German Stock Corporation Law
(AktG):**

"1. COMPUTERLINKS AG will comply with the recommendations made by the Government Commission on the German Corporate Governance Code (Code version as of 2nd June 2005) with the following exceptions:

The compensation of the members of the Board of Management is published in the Notes to the Consolidated Financial Statements subdivided according to fixed, performance-related and long-term incentive components; however, it is not published individualized (section 4.2.4.). An individualized breakdown would not provide more information with relevance for the capital markets than a detailed publication of the overall compensation.

2. COMPUTERLINKS AG has fully complied with the recommendations of the German Corporate Governance Code - in the version of 21st May 2003 - since the last declaration of 9th December 2004 except of the stated paragraph 4.2.4 (Management Board compensation not reported on an individualized basis)."
